Care & maintenance

Collection:	Essentials Kaolin
Pattern:	Grezzo
Reference:	30382 • Palace Green
Composition:	Natural wallcovering on non-woven backing
Description:	Grezzo is a refined wallcovering with genuine basalt flakes, sourced from volcanic rock. The subtle shimmer catches the light beautifully, causing the wall to glow softly. The colours are inspired by natural stone, enhancing the pure, organic character of the material.

During installation:

Carefully dab off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft cloth. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by dabbing off the surface with a moist, lint-free, clean white cloth. Only use clear water, no soap.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
