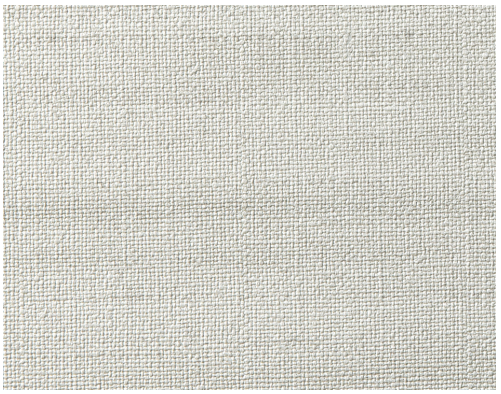
Care & maintenance

Collection:	Arte Contract
Pattern:	Lazur
Reference:	67571
Composition:	Contract vinyl on fabric backing (Type II)
Description:	A flawless representation of a fine linen structure, including the woven irregularities. From a distance the pattern appears plain, but as you get closer you can see each linen yarn. The colour palette remains true to the natural tones of the original base material.



During installation:

Carefully wash off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by washing off the surface with clear water and a soft sponge. If needed, a PH-neutral soap solution could be added to the water for more stubborn stains. Always wipe off with warm, clean water.

Never use cleaning agents based on solvents.

Dry with a lint-free, clean cloth.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
