

CARE & MAINTENANCE

Collection:	All Naturals
Pattern:	Camago
Reference:	14001A • Noir de Lune
Composition:	Natural wallcovering on non-woven backing
Description:	This pattern has its roots in one of the most exotic places in the world: the paradise that is the Philippines. One of the country's greatest natural resources is the banana tree. We have used its bark to create this unique wallcovering. The wide, coloured strips are glued by hand to form a unique variegated texture.

During installation:

Carefully wipe off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by wiping off the surface with clean water and a soft sponge. Only use clear water, no soap.

Dry with a lint-free, clean cloth.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
