

CARE & MAINTENANCE

Collection:	Icarus
Pattern:	Alata
Reference:	15714 • Cocoa
Composition:	Natural wallcovering on non-woven backing
Description:	This innovative design features a background of woven sisal, onto which the pattern has been embroidered with hessian. The coloured thread contrasts nicely with the hessian and the sisal. Let your gaze linger and you will discover Icarus's wings in this pattern. This also inspired its name, Alata, which is Latin for winged.

During installation:

Carefully dab off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft cloth. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by dabbing off the surface with a moist, lint-free, clean white cloth. Only use clear water, no soap.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
