

CARE & MAINTENANCE

Collection:	Indienne
Pattern:	Kerala
Reference:	18322 • Tangerine
Composition:	Vinyl wallpaper on paper backing
Description:	The swaying palms along the riverbanks of the Indian state of Kerala inspired this panoramic design. Its graceful lines stand out beautifully on the vinyl base, which has the relaxed, open-woven texture of linen.

During installation:

Carefully wash off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by washing off the surface with clear water and a soft sponge. If needed, a PH-neutral soap solution could be added to the water for more stubborn stains. Always wipe off with warm, clean water.

Never use cleaning agents based on solvents.

Dry with a lint-free, clean cloth.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
