

CARE & MAINTENANCE

Collection:	Signature
Pattern:	Scent
Reference:	24531
Composition:	Vinyl wallpaper on paper backing
Description:	Are you already dreaming of a flowery meadow when you see Scent? Unfortunately, the design cannot diffuse the scent of flowers, but it does bring sweet-smelling bouquets into your room. Scent immediately transports you into the midst of nature. The classic pattern with floral influences is given a contemporary vibe by its bright and fresh colour range. The linen structure gives the design a nonchalant look.

During installation:

Carefully wash off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by washing off the surface with clear water and a soft sponge. If needed, a PH-neutral soap solution could be added to the water for more stubborn stains. Always wipe off with warm, clean water.

Never use cleaning agents based on solvents.

Dry with a lint-free, clean cloth.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
