

CARE & MAINTENANCE

Collection:	Signature
Pattern:	Trace
Reference:	24555
Composition:	Vinyl wallpaper on paper backing
Description:	The busy, urban scene leaves its mark: Trace depicts the typical architectural lines that are specific to skyscrapers and real skylines. This gives the design an unusual interplay of lines with powerful dynamics in which the linen has a softening effect. Depending on the colour combinations, Trace can be very subtle or really striking.

During installation:

Carefully wash off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by washing off the surface with clear water and a soft sponge. If needed, a PH-neutral soap solution could be added to the water for more stubborn stains. Always wipe off with warm, clean water.

Never use cleaning agents based on solvents.

Dry with a lint-free, clean cloth.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
