

CARE & MAINTENANCE

Collection:	Avalon
Pattern:	Marsh
Reference:	31509
Composition:	Vinyl wallpaper on paper backing
Description:	Walls of woven grass. It's almost as if you're spending a night in a lodge out on the savanna. The structure has been realistically recreated, which lets you subtly bring a truly exotic feeling into your home. You're sure to find a suitable tint for any interior from among the seventeen colour variations.

During installation:

Carefully wash off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by washing off the surface with clear water and a soft sponge. If needed, a PH-neutral soap solution could be added to the water for more stubborn stains. Always wipe off with warm, clean water.

Never use cleaning agents based on solvents.

Dry with a lint-free, clean cloth.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
