

CARE & MAINTENANCE

Collection:	Les Cuirs
Pattern:	Rectangle
Reference:	33510 • Chestnut
Composition:	Natural wallcovering on non-woven backing
Description:	Stylish, exclusive and absolutely distinctive, this is the concept of Les Cuirs. By using different patterns and decorative colours, a leather wall becomes an object of art. The coarse stitching gives an extra tough character to this collection. Leather is an extremely natural and durable product, each skin has its own story and can contain scars or shades of colour. This makes Les Cuirs unique and exceptional.

During installation:

Carefully dab off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft cloth. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by dabbing off the surface with a moist, lint-free, clean white cloth. Only use clear water, no soap.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
