

CARE & MAINTENANCE

Collection:	Timber
Pattern:	Grain
Reference:	38223
Composition:	Natural wallcovering on non-woven backing
Description:	A collage of perfect squares. Combining wood fragments from different parts of the same tree provides a lovely combination of grains and recognisable knots. No two are the same, as they form a random pattern in the inlay.

During installation:

Carefully wipe off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by wiping off the surface with clean water and a soft sponge. Only use clear water, no soap.

Dry with a lint-free, clean cloth.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
