

# CARE & MAINTENANCE

---

Collection:	Lino
Pattern:	Gioco
Reference:	40521
Composition:	Vinyl wallpaper on paper backing
Description:	A flawless reflection of the structure of fine linen, including the irregularities woven into it. From far away, it has a smooth, uniform look, but once you get closer, you can see every linen thread. The colour palette remains faithful to the natural colour of the original base material.

## During installation:

Carefully wash off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

## Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by washing off the surface with clear water and a soft sponge. If needed, a PH-neutral soap solution could be added to the water for more stubborn stains. Always wipe off with warm, clean water.

Never use cleaning agents based on solvents.

Dry with a lint-free, clean cloth.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
