

CARE & MAINTENANCE

Collection:	Ligna
Pattern:	Canopy
Reference:	42020
Composition:	Non-woven wallcovering
Description:	Nature has its own rules, but that doesn't mean we always have to follow them. They offer us a rich green world full of inspiration. Canopy plays with the natural structure of plants. The result is a geometrical interplay with climbing plants in an unusual context. The shiny effect takes the wallcovering to a higher level. Plants have never had such a sumptuous image before!

During installation:

Carefully wipe off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by wiping off the surface with clean water and a soft sponge. Only use clear water, no soap.

Dry with a lint-free, clean cloth.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
