

CARE & MAINTENANCE

Collection:	Revera
Pattern:	Geo
Reference:	47520
Composition:	Non-woven wallcovering
Description:	<p>The geometric pattern of Geo has a mirror effect thanks to the glossy base, among other things. The incidence of light creates magic: the pattern seems to disappear. From a distance you have the impression that you are looking at shiny steel, from close up the pattern almost appears to be woven.</p>

During installation:

Carefully wipe off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by wiping off the surface with clean water and a soft sponge. Only use clear water, no soap.

Dry with a lint-free, clean cloth.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
