Care & maintenance

Collection:	All Naturals
Pattern:	Infini
Reference:	48023A • Autumn
Composition:	Natural wallcovering on non-woven backing
Description:	Infini consists of a combination of paper thread and banana leaf, a natural material that is woven and dyed by hand. The fibres absorb the dye unevenly during this process, an effect specific to this natural product. The result is a textile with many different shades and a lively effect on the wall. The small knots are minor imperfections in the natural material that emphasise its authenticity.

During installation:

Carefully wipe off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by whiping off the surface with clean water and a soft sponge. Only use clear water, no soap.

Dry with a lint-free, clean cloth.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
