

CARE & MAINTENANCE

Collection:	Paleo
Pattern:	Empire
Reference:	50550
Composition:	Non-woven wallcovering
Description:	The same 'quillwork' as pattern Civilia, however, this time with a clear pattern. Made exactly in the same way as the Paleo Indians did it, with stylised figures carved in wood, stone or bone. Excavations have taught us that they were mad about coloured materials, such as coral, turquoise and jade, shades that you will also find in this collection.

During installation:

Carefully wipe off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by wiping off the surface with clean water and a soft sponge. Only use clear water, no soap.

Dry with a lint-free, clean cloth.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
