Description:	Have you ever dreamed of your own mosaic in your home? In Roman times, it was customary to decorate luxurious villas with all kinds of mosaics. Since then, these drawings have been regarded as genuine works of art. We created Rondo, a wallcovering with Mediterranean influences to bring a mosaic design to your home in a simple manner.

During installation:

Carefully dab off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft cloth. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by dabbing off the surface with a moist, lint-free, clean white cloth. Only use clear water, no soap.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
