

CARE & MAINTENANCE

Collection:	Osmanthus
Pattern:	Gardens of Okayama
Reference:	54502 • Blossom Garden
Composition:	Natural wallcovering on non-woven backing
Description:	This colourful Japanese garden has been carefully embroidered with great attention to detail onto this base of sisal fibres, with the different shades of the threads revealing its natural character. The fairy-tale scene appeals to the imagination.

During installation:

Carefully dab off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft cloth. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by dabbing off the surface with a moist, lint-free, clean white cloth. Only use clear water, no soap.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
