

CARE & MAINTENANCE

Collection:	Senah
Pattern:	Selvage
Reference:	55100 • Parchment
Composition:	Non-woven wallcovering
Description:	Selvage is a detailed interpretation of a handwoven textile, carefully built up by layering high-quality inks. The design features a visible selvage edge: a skilled weaving technique in which the weft thread repeatedly returns at the edge, preventing the sides of the textile from fraying whilst creating a beautifully finished border.

During installation:

Carefully wipe off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by wiping off the surface with clean water and a soft sponge. Only use clear water, no soap.

Dry with a lint-free, clean cloth.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
