Care & maintenance

Collection:	Senah
Pattern:	Sillage
Reference:	55143 • Tuscan
Composition:	Non-woven wallcovering
Description:	In the background, this design shows a woven textile look, created with high-quality inks. The focus, however, is mainly on the dynamic moiré pattern, executed in caress-soft velour. It owes its name to the French word sillage, describing the wake left behind by a boat. In the world of perfume the word refers to the lingering scent trail of a fine fragrance, a reference to Sillage's fluid, evocative character.

During installation:

Carefully dab off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft cloth. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by dabbing off the surface with a moist, lint-free, clean white cloth. Only use clear water, no soap.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
