

CARE & MAINTENANCE

Collection:	Essentials Costura
Pattern:	Bojagi
Reference:	57540 • Frost White
Composition:	Wallpaper on non-woven backing
Description:	Bojagi is the result of a traditional Korean sewing technique where the stitching and pattern attract your attention. Originally, they were traditional Korean wrapping cloths made from scraps of leftover fabric. The geometric shapes create an irregular patchwork with an open linen look. The tone-on-tone colour palette provides a calm feeling.

During installation:

Carefully wipe off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by wiping off the surface with clean water and a soft sponge. Only use clear water, no soap.

Dry with a lint-free, clean cloth.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
