

CARE & MAINTENANCE

Collection:	Tali
Pattern:	Strelitzia
Reference:	60740 • Olive
Composition:	Vinyl wallpaper on paper backing
Description:	Strelitzia takes its name from the enchanting flower that is also commonly known as bird of paradise. For this design, the flower was immortalised in meticulous handwork, using fine ropes to capture its graceful shape. This artisanal creation served as inspiration for a stunning vinyl wallpaper pattern that adds a hint of exotic luxury to any interior.

During installation:

Carefully wash off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by washing off the surface with clear water and a soft sponge. If needed, a PH-neutral soap solution could be added to the water for more stubborn stains. Always wipe off with warm, clean water.

Never use cleaning agents based on solvents.

Dry with a lint-free, clean cloth.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
