

CARE & MAINTENANCE

Collection:	Spectra
Pattern:	Caisson
Reference:	61530
Composition:	3D textile wallcovering on non-woven backing
Description:	In the warm, charming design of Caisson you clearly recognise a typical antique panel door. The style reminds one of old British libraries. An ideal pattern to be developed in 3D relief. Caisson already existed in the Intrigue collection, but it was given new colour variations in the Spectra collection. The textile used is also different: whereas with Intrigue the design has a smooth, silky feeling, with Spectra it is given the smooth and soft look of suède.

During installation:

Carefully dab off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft cloth. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by dabbing off the surface with a moist, lint-free, clean white cloth. Only use clear water, no soap.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
