

CARE & MAINTENANCE

Collection:	Cameo
Pattern:	Lustro
Reference:	66050 • Deep Slate
Composition:	Wallpaper on non-woven backing
Description:	Lustro has a travertine or marble look. The different layers of stone are clearly visible as are the irregular pores which are typical of this material. The shimmer of minerals, the layering of stone and the imperfections unite luxury, roughness and purity.

During installation:

Carefully wipe off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by wiping off the surface with clean water and a soft sponge. Only use clear water, no soap.

Dry with a lint-free, clean cloth.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
