

CARE & MAINTENANCE

Collection:	Arte Contract
Pattern:	Cedar
Reference:	67520
Composition:	Contract vinyl on non-woven backing (Type II)
Description:	Hexagonal surfaces filled with different wood-lock fragments, like a mosaic. The contrasting colours and alternating shapes are sometimes in line, sometimes at an angle to each other. This creates a playful and rhythmic whole which features both depth and volume.

During installation:

Carefully wash off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by washing off the surface with clear water and a soft sponge. If needed, a PH-neutral soap solution could be added to the water for more stubborn stains. Always wipe off with warm, clean water.

Never use cleaning agents based on solvents.

Dry with a lint-free, clean cloth.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
