# Care & maintenance

| | |
|---|---|
| Collection: | Arte Contract |
| Pattern: | Flemish Flax |
| Reference: | 67734 • Sand Drift |
| Composition: | Contract vinyl on fabric backing (Type II) |
| Description: | This wallcovering was especially developed for the contract market. The luxurious and extremely durable vinyl meets the most stringent technical requirements, such as fire resistance, shock resistance and washability. |

**During installation:**

Carefully wash off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

**Maintenance:**

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by washing off the surface with clear water and a soft sponge. If needed, a PH-neutral soap solution could be added to the water for more stubborn stains. Always wipe off with warm, clean water.

Never use cleaning agents based on solvents.

Dry with a lint-free, clean cloth.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
