

CARE & MAINTENANCE

Collection:	Expedition
Pattern:	Sumatra
Reference:	72042
Composition:	Vinyl wallpaper on paper backing
Description:	A lively decor, printed on the silk uni Tasar, and inspired by the Sumatran jungle, a tropical rainforest with the most diverse fauna and flora. We discover the hornbills and capuchins in their natural habitat.

During installation:

Carefully wash off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by washing off the surface with clear water and a soft sponge. If needed, a PH-neutral soap solution could be added to the water for more stubborn stains. Always wipe off with warm, clean water.

Never use cleaning agents based on solvents.

Dry with a lint-free, clean cloth.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
