

CARE & MAINTENANCE

| | |

| Collection: | Marqueterie |
| Pattern: | Optique |
| Reference: | 72760 • Beige |
| Composition: | Natural wallcovering on non-woven backing |
| Description: | This geometric pattern plays tricks with optical perception; one person might see triangles, the other squares. The woven sisal is arranged horizontally, vertically, ascending diagonally and descending diagonally. These four directions create different geometric shapes and colour nuances. |

During installation:

Carefully dab off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft cloth. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by dabbing off the surface with a moist, lint-free, clean white cloth. Only use clear water, no soap.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
