

# CARE & MAINTENANCE

---

Collection:	Marqueterie
Pattern:	Optique
Reference:	72761 • Rubis
Composition:	Natural wallcovering on non-woven backing
Description:	This geometric pattern plays tricks with optical perception; one person might see triangles, the other squares. The woven sisal is arranged horizontally, vertically, ascending diagonally and descending diagonally. These four directions create different geometric shapes and colour nuances.

---

## During installation:

Carefully dab off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft cloth. Do this after installation of each length.

---

## Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by dabbing off the surface with a moist, lint-free, clean white cloth. Only use clear water, no soap.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.
