

CARE & MAINTENANCE

Collection:	Flamant Les Mémoires
Pattern:	Bambou
Reference:	80020
Composition:	Non-woven wallcovering
Description:	The floating bamboo leaves give the Bambou pattern a delicate touch. Have you ever travelled to Thailand, Vietnam or China? Then this print will take you back to those exotic locations. Bambou is a little bit different to the other patterns because the wallpaper is finished with a hint of flock and metallic ink.

During installation:

Carefully dab off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft cloth. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by dabbing off the surface with a moist, lint-free, clean white cloth. Only use clear water, no soap.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
