

CARE & MAINTENANCE

Collection:	Lanai
Pattern:	Kailua
Reference:	81500 • Red Baron
Composition:	Vinyl wallpaper on paper backing
Description:	This design takes its name and inspiration from enchanting Kailua on the east side of Oahu, where palm trees reign supreme. For this wallpaper, swaying palms were inlaid using small pieces of rattan against a background of bark cloth, a fibrous cloth made from the bark of fig trees. This beautiful, realistic interpretation comes to life when transposed to the wall.

During installation:

Carefully wash off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by washing off the surface with clear water and a soft sponge. If needed, a PH-neutral soap solution could be added to the water for more stubborn stains. Always wipe off with warm, clean water.

Never use cleaning agents based on solvents.

Dry with a lint-free, clean cloth.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
