

# CARE & MAINTENANCE

---

|              |                                                                                                                                                                                          |
|--------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Collection:  | Icons                                                                                                                                                                                    |
| Pattern:     | Platinum                                                                                                                                                                                 |
| Reference:   | 85508 • Ash                                                                                                                                                                              |
| Composition: | Metallic wallcovering on non-woven backing                                                                                                                                               |
| Description: | This block pattern has a weathered effect, as though the test of time only makes the pattern more beautiful. The combination of matt and gloss gives this eye-catcher a warm metal look. |

---

## During installation:

Carefully wipe off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

---

## Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by wiping off the surface with clean water and a soft sponge. Only use clear water, no soap.

Dry with a lint-free, clean cloth.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

---

Arte can not be held responsible if damage is caused to the product during the cleaning process.
