

CARE & MAINTENANCE

Collection:	Boutique
Pattern:	Riverbank
Reference:	90515 • Ponceau
Composition:	Textile wallcovering on non-woven backing
Description:	Inspired by classic tapestries, this woven jacquard wallcovering depicts a lush riverbank with a Japanese crane peeking out of the vegetation. This unique species symbolises good luck and longevity in Japan. The drawing is intentionally pixelated in a nod to the country's mid-century optimism.

During installation:

Carefully dab off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft cloth. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by dabbing off the surface with a moist, lint-free, clean white cloth. Only use clear water, no soap.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
