

CARE & MAINTENANCE

Collection:	Moooi Wallcovering Green House
Pattern:	Greenhouse Gathering Window
Reference:	MO5050 • Forest Green
Composition:	Textile wallcovering on non-woven backing
Description:	The Greenhouse Gathering wallcovering is a stunning wallcovering that draws inspiration from decorative moulding. The design imitates the sensation of peering through the glass panels of a Green House, uncovering the mesmerising marvels of lush flowers. When examined more closely, intricate features become apparent, highlighting the hidden small creatures moving through a lush green landscape. Infused with the charm of art deco, the Greenhouse Gathering wallcovering comes in a monochrome palette that reminds of plasterwork. The wallcovering has a soft suede look for added tactility.

During installation:

Carefully wipe off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft sponge. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by wiping off the surface with clean water and a soft sponge. Only use clear water, no soap.

Dry with a lint-free, clean cloth.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.
