Collection Arcade

Story behind the collection

The starting point of this collection is the arch pattern of the eponymous Arcade design, inspired by an abstract arcade built in limestone. The look and feel of matte lime are the key ingredients of this wallpaper collection. They return in the form of small squares and elegant baguettes, each reminiscent of handmade tiles in its own way. Even in the playful waves of the Wave design, that warm, matte lime appearance is clearly visible. The many fresh colours pair beautifully with the warm natural tones.
