Collection Essentials Tangram

Story behind the collection

The Tangram collection takes its name and inspiration from the puzzle of the same name. Each design resembles an ingenious puzzle. It is based on natural grasses, coarsely or very finely woven and inlaid by hand in various patterns. An interpretation of each design was then made using water-based inks printed on non-woven. These high-quality inks contain an exceptionally high amount of pigment. They give the wallpaper depth and relief, produce strikingly bright, fresh colours and make the wallpaper extra strong.
