

# SYMBOL

Collection Monsoon 2.0

## Story behind the collection

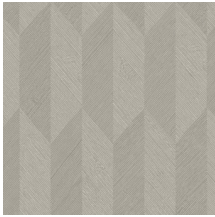

Tropical rainforests have always appealed to our imagination. Possibly because they are so rare. Or maybe because we find the exotic aspect too fascinating for words. We are amazed by the incredible biodiversity in these forests as well as by the overwhelming plant growth. And this was our greatest source of inspiration for this collection.

## Technical specifications

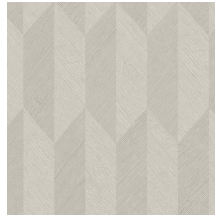

|                   |  |
|-------------------|--|
| Reference         | <a href="#">26533A</a> • Vintage Blush   |
