

TRAPEZIUM

Collection Focus

Story behind the collection

The consistent theme of this collection is relief print, which gives all the patterns a spectacular look. The areas with relief lines have been printed in several directions. In combination with how the light strikes the paper, this results in a spectacular and dynamically impressive whole. All patterns have a non-woven backing with a slightly shining vinyl top layer, a combination that shows off the relief effect to maximum advantage.

Technical specifications

| | |
|-------------------|--|
| Reference | <u>26562</u> |
| Product category | Refined |
| Composition | Vinyl wallpaper on paper backing |
