

MARSH

Collection Avalon

Story behind the collection

Mystic prints, natural materials and tropical surprises: the Avalon collection by Arte brings the tropical heat into your home with its unique structural prints, no matter where you might find yourself. It's inspired by the legend of the Isle of Avalon, the mythical place shrouded in mist where everything grows in abundance. Dress up your walls with warm natural effects, like leather and woven grass, and add tropical colours with distinct style and class!

Technical specifications
