Collection Samal

Story behind the collection

Samal is an island in the Philippines where capiz is harvested. These oyster-like shells are manually coloured, cut and inlaid in geometric patterns. Capiz is a real natural product; each shell is unique and differs in colour and structure. This makes this collection an exclusive and artistic wallcovering. In addition, the colour nuances of the mother-of-pearl vary according to the light, creating a surprising and constantly changing effect.

Technical specifications

| | |
|------------------|--|
| Reference | <u>33711</u> • Hot Chocolate |
| Product category | Couture |
| Composition | Natural wallcovering on non-woven backing |
| Description | Real shells in a geometric pattern in which the colour nuances of the mother-of-pearl vary according to the light |
