

# ASPERO

Collection Lino

## Story behind the collection

Linen has been a highly valued element in our interiors for centuries. It is a timeless classic and has a natural aspect with an irregular structure. This can be very outspoken or rather subtle, depending on the yarn. This typical, unique texture is what makes linen so charismatic.

## Technical specifications

|                   |                                                                                                                                   |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Reference         | <u>40541</u>                                                                                                                      |
| Product category  | Refined                                                                                                                           |
| Composition       | Vinyl wallpaper on paper backing                                                                                                  |
| Description       | Wallpaper with the natural look of real linen                                                                                     |
| Dimensions        | XL-ROLL: Rolls of 10.05 m x 1.00 m = 10 m <sup>2</sup><br>(11 yds x 39.37" = 108 sq. ft.)                                         |
| Pattern repeat    | Straight match 91 cm (35.83"), or free match<br>0 cm (0.00")                                                                      |
| Remark            | You can hang Aspero in two ways: matching the drops for a uniform look, or not matching the drops for the effect of natural linen |
| Adhesive          | Arte Clearpro or a good quality dispersion adhesive                                                                               |
| How to paste      | Method 1: paste the wall and moisten the wallcovering. Method 2: paste the wallcovering.                                          |
| Light resistance  | Good lightfastness                                                                                                                |
| How to remove     | Peelable                                                                                                                          |
| Fire retardant EU | B-s2, d0                                                                                                                          |
| Fire retardant US | Class A                                                                                                                           |
| Maintenance       | Extra-washable                                                                                                                    |
