Collection Ligna

Story behind the collection

We feel connected to the earth and like to have a touch of nature in our homes: the botanical trend remains popular. We not only give plants a prominent place in our homes, but we also incorporate nature into interior design elements. With the Ligna wallcovering you not only see nature in your home, but you can feel it too. Run your fingers over the wallcovering, and you will imagine yourself in a forest, without having to put your boots on!
