Collection Sculptura

Story behind the collection

Sculptura draws its inspiration from traditional plasterwork. Strips of plaster were arranged into a pattern by hand and then transformed into a surprising vinyl collection. The typical plaster structure of mesh, cracks and uneven areas is clearly visible. This intriguing wallcovering with its surprising geometric patterns subtly lends a touch of colour, relief and structure to the wall. The shadow play of light and dark brings smooth walls to life. In short, Sculptura lends a subtle decorative touch to your interior without demanding all your attention.
