

MANOIR

Collection Objet

Story behind the collection

Decorative mouldings have been adorning walls and ceilings in all shapes and styles for centuries. Examples include skirting boards, cornices, wainscoting or wall panels in stately mansions, imposing palaces or listed buildings. These form the source of inspiration for the Objet collection. Not only are these decorative wallcoverings easy to install, but they also add colour, texture and relief. They are finished in a soft suede look for an extra tactile result. As these wallcoverings are 3D, they also have a positive impact on the acoustics in a room.
