

PARQUET

Collection Spectra

Story behind the collection

Our team of designers is continually searching for patterns and colours that match the spirit of the times. After the Enigma, Eclipse and Intrigue collections, we embarked on a 3D wallcovering venture called Spectra with harmonious patterns and colours that can find a place in any interior. The combination of the 3D relief, the pattern and the colour always has a balanced look.

Technical specifications

Reference	<u>61501</u>
Product category	Couture
