

# TESSERA

Collection Les Thermes

## Story behind the collection

Les Thermes depicts the rich history of Greco-Roman antiquity, in which sculpture and architecture both play an important role. The well-known bathing culture also has a prominent presence. This is reflected in aspects such as luxurious mosaics, traditional techniques and an impression of a hand-painted scene of Roman thermal baths. This opulent collection provides a taste of the grandeur of days long gone.

## Technical specifications

|                   |  |
|-------------------|--|
| Reference         | <u>70551</u> • Mirror  |
