Collection Marqueterie

Story behind the collection

The natural product sisal, a hardwearing fibre from the agave plant, forms the basis of the Marqueterie collection. The natural woven pieces are cut and arranged by hand in different patterns. The traditional marquetry or inlay reveals striking geometric figures. Both the different direction of the weave and the colours create an unusual depth and texture to this 100% hand-made wallcovering. Depending on the incidence of light and the viewing position, a subtle sheen will become apparent.
