

BOUCLÉ

Collection Essentials Les Tricots

Story behind the collection

Les Tricots takes its inspiration from the haute couture fashion world with a clear nod to rich fabrics and specific textile techniques. It creates the illusion of real textile thanks to the combination of unique printing techniques and the use of velvety soft yarns. The majority of the designs are modest and are very widely applicable to add structure to the wall in addition to colour. The pattern with a chintz look is an outsider that stands out for its shine and explosive colour palette.
