Collection Textura Ignis

Story behind the collection

The Textura Ignis wallpaper collection shines a spotlight on surprising textures you wouldn't immediately expect on a wall. Each design is a beautiful interpretation of an exceptional material, from luxurious textiles like silk, wool, and bouclé to sturdy plasterwork and rope. These unexpected textures come to life in high-quality vinyl, with a stunningly realistic appearance. Ignis is the Latin word for fire; a fitting name for a collection that brings warmth and character to any interior.
