

# CUPULA

Collection Pampas

## Story behind the collection

The inspiration for this collection was found in South America, where vast grassy plains span part of Argentina, all of Uruguay and the southernmost tip of Brazil. These grasslands are called Pampas.

## Technical specifications

|                   |                                                                                          |
|-------------------|------------------------------------------------------------------------------------------|
| Reference         | <u>73560</u> • Tan                                                                       |
| Product category  | Refined                                                                                  |
| Composition       | Vinyl wallpaper on paper backing                                                         |
| Description       | A dome pattern with the appearance of raw linen                                          |
| Dimensions        | Rolls of 10.05 m x 1.00 m = 10 m <sup>2</sup> (11 yds x 39.37" = 108 sq.ft.)             |
| Pattern repeat    | Drop match 95/47.5 cm (37.40"/18.70")                                                    |
| Adhesive          | Arte Clearpro or a good quality dispersion adhesive                                      |
