Collection All Naturals

Story behind the collection

Arte has always had a predilection for unusual materials, with the brand's designers creating superb wallcoverings from many unique materials they find around the world. Designs with natural materials are a mainstay of its collections. Raffia, sisal, mica and banana bark are just a few of the stunning natural products Arte uses for its amazingly diverse range of natural wallcoverings. This collection is a homage to the beauty of these products.
